

TIFERES BAIS YAAKOV

June 2022

Dear Parents,

We are pleased to be able to run the uniform ordering and distribution for the upcoming 2022-2023 school year and we look forward to working together to ensure that our girls are properly outfitted for the new school year.

Some important information:

- We will not be offering sample sizing for try-ons. We ask that you take careful measurements (as provided in the size charts on the Order Form). *Please make sure to use the measurements provided (eg., an adult small does not necessarily correspond to a regular retail store's adult small).
- We are no longer selling the velour hoodie and have changed to another hoodie instead.
- There will be NO returns or exchanges on any items.
- Order Deadline: June 30, 2022. After this deadline, there will be a single 'late order' (date to be determined) and all prices will be subject to additional exchange rate, shipping, handling and customs fees (all built into the current price). As well, for orders placed in the 'late order', we will not be able to guarantee delivery date before school starts.

In addition to ordering through the school, there are the following options:

- If you would like to visit our uniform exchange, you may do so by contacting our Mothers Association Uniform Committee to make an appointment (see email address below). Please note that there are limited items in our stockroom and we do not have all sizes available.
- For your convenience, standard items such as the blue-collared shirt can be purchased from any retailer so long as they resemble the school uniform and have no other details.
- The school allows the WIDE PLEATED SKIRT ONLY from Fringe Boutique. Please make sure the length is appropriate, and the skirt covers the knees at all times. Although the school allows the Fringe option, please note the price difference and realize that it is a much higher price than the MA option, which is the parent prerogative.

TIFERES BAIS YAAKOV

To place your order through the school, follow these three easy steps:

STEP 1: Click [here](#) for TBY Uniform Order Form.

STEP 2: You will receive an email from the Mothers Association confirming your order and total for e-transfer payment.

STEP 3: Your order is ONLY complete once we have received BOTH your form and payment. A second email confirming receipt of both will be sent to you.

Once we receive the complete shipment we will contact you regarding the distribution date and process.

Although we will do what we can to ensure a smooth and positive experience, there are factors that are beyond our control. We thank you in advance for your patience and understanding and we look forward to working together.

For all questions and inquiries, or to book an appointment at the uniform exchange, please contact us at MA@tiferes.ca

Wishing you and your families all the best over the summer and looking forward to the start of a wonderful year.

The Uniform Committee
