

TIFERES BAIS YAAKOV

Dear Parents,

We are pleased to be able to run the uniform ordering and distribution for the upcoming 2021-2022 school year and we look forward to working together to ensure that our girls are properly outfitted for the new school year. In an effort to make the uniforms more affordable, there will be no price increase from last year.

Due to Covid-19, there are some important changes in the ordering procedures this year as we adhere to the social distancing requirements, so please pay close attention to the following details:

- We will not be able to offer sample sizing for try-ons this year. As such, we ask that you take careful measurements (as provided in the size charts on the Order Form). *Please make sure to use the measurements provided (eg., an adult small does not necessarily correspond to a regular retail store's adult small).
- There will be NO returns or exchanges on any items.
- **Order Deadline: July 1, 2021.** After this deadline, parents will need to order through the late order date and all prices will be subject to additional exchange rate, shipping, handling and customs fees (all built into the current price). As well, for orders placed past the deadline, we will not be able to guarantee delivery date before school starts.
- Once we receive the shipment we will contact you regarding the distribution date and process.

In addition to ordering through the school, there are the following options:

- If you would like to visit our uniform exchange, you may do so by contacting our Mothers Association Uniform Committee to make an appointment (see email address below). Please note that there are very limited items in our stockroom and we do not have all sizes available.
- For your convenience, standard items such as the blue collared shirt can be purchased from any retailer so long as they resemble the school uniform and have no other details.
- The school allows the WIDE PLEATED SKIRT ONLY from Fringe Boutique. Please make sure the length is appropriate, and the skirt covers the knees at all times. Although the school allows the fringe option, please note the price difference and realize that it's a much higher price than the MA option which is the parent prerogative.
- To place your order through the school, follow these 3 easy steps:

STEP 1: Click [here](#) for TBY Uniform Order Form.

STEP 2: You will receive an email confirming your order and total for e-transfer payment.

STEP 3: Your order is ONLY complete once we have received **BOTH** your form and payment. A second email confirming receipt of both will be sent to you.

Although we will do what we can to ensure a smooth and positive experience, due to the current situation, there are factors that are beyond our control. We thank you in advance for your patience and understanding and we look forward to working together.
