Important Immunization Information

Limudei Kodesh Principal
Mrs. Adina Ribacoff

Welcome to Tiferes Bais Yaakov,

General Studies Principal
Mrs. Polina Nagla

We are looking forward to greeting your daughter in September 2022. Please read the following vaccine information carefully as it is the final step in the admission process.

Executive Director
Mr. Lawrence Weinberg

In accordance with the Immunization of School Pupils Act (ISPA), as referenced in our Parent Handbook, all children attending school are legally required to be immunized against certain preventable diseases (including measles).

The Rabbonim in our community support vaccinations, as it states, "We hereby state that there is a halachic obligation on parents to vaccinate their healthy children on the timetable recommended by their pediatrician and/or family physician." We must do our part to protect those who cannot be vaccinated and are vulnerable to illness.

Board of Directors:

President
Moshe Shields

Treasurer
David Klein

Directors
Eddy Cohen
Jeremy Gilbert
Simi Grosman
Isaac Osiel

Therefore, going forward, religious or conscience exemptions will not be accepted. Only those that have a written exemption from their pediatrician/doctor for valid medical reasons accompanied by a certificate from the Ministry of Health, will be permitted and accepted for the 2022-2023 school year.

Advisory Committee:

Cooky Gordon Horowitz
Andrea Hytman
Hersch Kanner
Noson Walden
Tolly Weber

As such, please provide all relevant and up to date vaccine information. You may do so by filling in the attached immunization form and sending back to the school office. Alternatively, you may scan and email a copy of your yellow immunization forms to nzippin@tbyhs.org or nzippin@tiferes.ca.

Your understanding and cooperation in maintaining the safety of our students and staff is much appreciated.

If you should have any question, please feel free to contact the school office.

With our thanks in advance,

Rabbi Shmuel Zilber
Menahel

Request for Immunization Information for New Students

Immunization Info Line: 416-392-1250

To Parents/Guardians:

It is the law in Ontario for all students under the age of 18 to be immunized against certain infectious diseases. As a new student, proof of immunization against Diphtheria, Tetanus, Polio, Measles, Mumps and Rubella must be provided to Public Health.

Please complete the information section below or attach a copy of your child's immunization record. You can get your child's immunization record from your doctor. Return this form to your child's school office within two weeks. If you wish to provide this information directly to Toronto Public Health, please call the Immunization Information line at 416-392-1250. Detailed instructions are on the back of this form.

IT IS IMPORTANT TO COMPLETE THIS INFORMATION IN FULL: DATE: _____

School: _____

 • 2nd dose before school (entry)

Request for Immunization Information for New Students Instructions for Parents/Guardians

1. Please fill in the dates of each needle (year/month/day) or attach a clear photocopy of the student's immunization record. Both sides of the record must be included.
2. Be sure your Child's Name, Ontario Health Card Number, Date of Birth and School Name are clearly shown on the record.
3. If you do not have an immunization record for your child, take this form to your doctor to complete.
4. To inquire about exemption from immunization for medical, religious or conscience reasons, call the Immunization Information line at 416-392-1250. If there is an outbreak at school, children who are not adequately immunized will not be able to attend school unless the child receives the vaccine or the outbreak is over.
5. If you do not have an Ontario Health Card and can't afford a doctor's services for immunization, call 416-392-1250. You will receive information about how your child can obtain the necessary needles.
6. Provide all information and return the form to your child's school office within two weeks. If you wish to provide this information directly to Toronto Public Health, please call the Immunization Information line at 416-392-1250.
7. Keep your child's immunizations up to date and a copy for your record.

Each time your child receives a needle, you are required to inform Toronto Public Health You can do so by:

1. Phone: Toronto Public Health, Immunization Information line at 416-392-1250, or
2. Fax: Toronto Public Health, 416-338-2487 or
3. Mail: Toronto Public Health - Immunization, 850 Coxwell Ave. Toronto, M4C 5R1 or
4. Provide the information to your child's school office and they will forward to Toronto Public Health - Immunization
